The Little Mermaid Hans Christian Andersen

For as long as she can remember, the little mermaid has yearned for her fifteenth birthday, when she will finally be old enough to explore the world above the waves. And what she finds there changes her life forever. For upon the sea, on that very first day, the little mermaid falls hopelessly in love with a handsome young prince. Soon there's nothing the little mermaid will not do to see her prince again. Rachel Isadora's magnificent watercolors, awash with the evocative colors of the sea, bring to life Hans Christian Andersen's bittersweet tale of the little mermaid who, longing to be human, trades her voice and tail for legs--and the chance to win a prince's heart. Rachel Isadora lives in New York City.
