Molech Rising

John Houghton

Molech Rising John Houghton

John Houghton's new novel, *Molech Rising*, is a potent mix of sexual depravity, political corruption and religious conflict that also holds out the hope of personal redemption.

Set in a parallel world to our own, the drama launches with the sinister seduction of Academy student, Zara Lo, who aided by her senior lecturer inaugurates a pagan sex cult that first shocks and then revolutionises the conservative town of Mace. The movement soon allies itself with a bid for totalitarian power by the ruthless Trefin Li. Opposed at great personal cost by Zara's ex-boyfriend, Calden Virl, the story reaches a dramatic climax as Zara prepares to sacrifice her baby to Molech and so seal the fate of the nation.

Another publication by John Durham Books – novels that challenge convention, explore the boundaries, and provoke reflection.
