Presbyterians and American Culture: A History

Bradley J. Longfield

Presbyterians and American Culture: A History Bradley J. Longfield

This book provides a history of Presbyterians in American culture from the early eighteenth to the late twentieth century. Longfield assesses both the theological and cultural development of American Presbyterianism, with particular focus on the mainline tradition that is expressed most prominently in the Presbyterian Church (U.S.A.). He explores how Presbyterian churches--and individuals rooted in those churches--influenced and were influenced by the values, attitudes, perspectives, beliefs, and ideals assumed by Americans in the course of American history. The book will serve as an important introduction to Presbyterian history that will interest historians, students, and church leaders alike.
