Shabby Chic Interiors: My Rooms, Treasures, and Trinkets Rachel Ashwell

Rachel Ashwell created Shabby Chic: a peaceful, practical way of living that embraces a respect for the things in our lives we hold dear and keeps them at the heart of our homes. Romantic florals reclining against pure white linen, ruffles of muslin skirting a bed base against bleached floorboards, the deep comfort of a simple nest of fluffy towels - This is Rachel Ashwell's signature style that for the past 20 years has been a major influence in our modern lives. *Shabby Chic Interiors - My Rooms, Treasures and Trinkets*, an eclectic book of quirky inspiration, falls into chapters according to location, and begins with Rachel's breathtaking Los Angeles residence. Next, we wander into a photographer's minimalist mountain-top home in the Hollywood hills before heading to the coast and a beautiful Malibu beach cottage. A truly bohemian hideout in southern California is next on the journey, followed by a peek at celebrity homes, including the house that once belonged to Marilyn Monroe. With rooms combining flea-market finds and objects of pure functionality - an elegant French mirror reflecting a painting, a bejewelled metallic candle holder sitting by a cluster of willow-patterned china, a single faded velvet pillow lounging under the twinkle of a vintage chandelier - this book celebrates all that is wonderfully Shabby Chic.

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Shabby Chic Interiors: My Rooms, Treasures, and Trinkets can make you sense more interested to read.
