What happens when the three little pigs are so horrid they even drive their own mother crazy? She sends them away to make their own homes. The first little pig steals straw from the cows to build his house and the second little pig takes the twigs from the birds to build his house. The third little pig is so lazy he just moves into a chicken coop and now the hens have nowhere to go. When each of the little pigs finds themselves without sturdy homes of their own along comes the big, friendly wolf (who just happens to be a builder) to help the three horrid little pigs see the error of their ways!
