Kenneth S. Saladin

Anatomy and Physiology: The Unity of Form and Function with OLC Bind-in Card Kenneth S. Saladin
From the unique organization to the exceptional art, to the complete integration of the text with technology, Saladin has formed a teaching system that will both motivate and enable your students to understand and appreciate the wonders of anatomy and physiology. Saladin's third edition is the most market responsive text ever published for this course.

This distinctive text was developed to stand apart from all other anatomy and physiology texts with a unique approach, unparalleled art, and a writing style that has been acclaimed by both users and reviewers. Designed for a two-semester A&P college course, Saladin requires no prior knowledge of college chemistry or cell biology.
