Returning to Segundo, Colorado, was the last thing Tori Sandoval planned to do. She'd overcome the odds facing a girl from the small coal-mining town to become a big-city high school principal. But now her grandparents need her help. Still, she can't understand why widower Steve Remington would *willingly* move to the sticks with his children.

Steve never expected that doing a favor for his elderly neighbors would introduce him to a woman as attractive as Tori. And, an even bigger surprise, she turns up again as his new boss! Working together brings them almost too close-but perhaps God intends Steve to teach Tori the meaning of *home*.
