Lawrence Pinkley's Casebook. Vol. 2 (Hilarious Detective Book For Preteens) Tim Flanagan

"The light hearted, but charming antics of teenage detective Lawrence Pinkley will strike a chord with anyone, young or old..."

**NOT ALL EIGHTEEN YEAR OLDS WANT TO BE A DETECTIVE...
ESPECIALLY WHEN THEY DON'T HAVE A CLUE !**

LAWRENCE PINKLEY'S CASEBOOK. VOLUME 2

In the second volume of files from his casebook, Pinkley shares another three of his comical mysteries with us, accompanied as always by amazing artwork by Dylan Gibson

The White Arrow Assassin - Where Pinkley's curiosity throws him onto a trail of cunning puzzles, can he solve them before the White Arrow Assassin strikes?

The Halloween Bandits - Pinkley pursues a masked gang who repeatedly target shops in Whitby. Can he succeed where the local police force have failed?

Murder on the Dorient Express - Whilst Pinkley enjoys a spot of sightseeing, a simple trip on a steam train results in the bitter taste of murder and wilful destruction.

REVIEWS

"There is an old-school charm to this novel, with a touch of witty-humor (at times "bathroom-humor") that makes for a great read for middle-schoolers. And of course it does not hurt that the illustrations are their own little masterpieces..." (Elsa Takaoka, *picturestorybook.com*)

"Tim Flanagan's new children's book, *The Curious Disappearance of Professor Brown* is a great read. Even the most reluctant reader will find something in this book that will get them wanting to read. It has mystery, humor, and it's paced perfectly so there aren't any parts that drag. We are passengers on the thrill ride that is this book as the mystery unveils itself. The reader will in one moment be laughing, and then in the next moment will be drawn into the suspense of the story." (Maria Foley, *Book Junkies*)

Amazon Publishing Manual

A PERSONAL NOTE FROM THE AUTHOR:

When I was a child I enjoyed looking at the artwork that went with the books I read, especially those that had some hidden information that added an extra layer to the story. And that was something I wanted to recreate with *The Curious Disappearance of Professor Brown*. Writing can sometimes be a lonely occupation, but teaming up with someone as talented and inspiring as Dylan Gibson, has made this book a complete joy to work on. Dylan's illustrations bring an added dimension to the story that make the characters take on a life all of their own.
