Pass in Review - COUNTRY Brian Utermahlen

Two brothers - one a helicopter pilot, the other an infantry soldier - and a gutsy, dedicated nurse bring to life the real story of Vietnam that the news media, protestors, politicians and the public never saw or understood.

COUNTRY takes you into the cockpit of the workhorse Huey helicopter to fly with Brad Nolan on combat assaults into hot Landing Zones, medical evacuations and night fire support missions.

COUNTRY puts you on combat patrol with Glenn Nolan, on an American firebase being overrun and in the middle of firefights with North Vietnamese regulars in the jungles of Vietnam and Cambodia.

And COUNTRY also puts you inside the trauma-laden operating rooms of American Surgical hospitals with Jenny Kolarik and her nurses as they fight for the life of every wounded soldier.

Pass in Review - COUNTRY is the third and final book of a three generational saga about the Nolans, a twentieth century military family. This is the story of a family, a nation, an Army and the institution of West Point struggling with challenges to the concept of Duty-Honor-Country during the Vietnam era.

Throughout this series, the fictional Nolan family interacts with actual historical characters including Douglas MacArthur, Dwight Eisenhower, Charles Lindbergh, FDR, Winston Churchill, JFK, Lyndon Johnson, and many others.

Book 1 (DUTY) is about the patriarch - Dave Nolan and covers the period from just before America's entry into World War I until the late 1930s. Pass in Review - DUTY won the 2012 Military Writers Society of America Bronze Award for best Historical Fiction.

Book 2 (HONOR) continues where DUTY left off. The book chronicles the story of both Dave Nolan and his son, Mitch, who is a fighter pilot in Europe during WWII. HONOR received the 2013 Military Writers Society Silver Award for Historical Fiction.

The final book of this trilogy brings to conclusion this saga and finally reconciles many of the personal and professional issues of family and service to country begun in the very first chapter of DUTY. Yet questions still linger about the future of the family, the country and the Academy.

Read the series and enjoy the ride.

From reader reviews:

Frank Johnson:

Book is written, printed, or outlined for everything. You can know everything you want by a publication. Book has a different type. As you may know that book is important point to bring us around the world. Adjacent to that you can your reading expertise was fluently. A publication Pass in Review - COUNTRY will make you to become smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that will open or reading a book make you bored. It is not necessarily make you fun. Why they may be thought like that? Have you seeking best book or suited book with you?

Rose Ibarra:

Nowadays reading books are more than want or need but also be a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The details you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want experience happy read one together with theme for entertaining for example comic or novel. Typically the Pass in Review - COUNTRY is kind of reserve which is giving the reader unstable experience.

Susan Belcher:

This Pass in Review - COUNTRY is great reserve for you because the content which can be full of information for you who have always deal with world and have to make decision every minute. That book reveal it data accurately using great coordinate word or we can say no rambling sentences in it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having Pass in Review - COUNTRY in your hand like obtaining the world in your arm, data in it is not ridiculous just one. We can say that no e-book that offer you world inside ten or fifteen moment right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. occupied do you still doubt which?

Amy Arwood:

Reading a book for being new life style in this yr; every people loves to learn a book. When you learn a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, along with soon. The Pass in Review - COUNTRY provide you with new experience in studying a book.
