Tell the Truth ... the whole truth, and nothing but the truth ...

The words sound great, but what if the truth could cost you your life?

It's been eleven months since Detective Leilani Texeira captured the monster who kidnapped young women and sold them as sex slaves. Lei can't wait for her chance to testify and finally put this case behind her.

But the crime ring syndicate doesn't want the man going to trial. When their attempt to kill him in prison fails, they change tactics and targets.

They hunt witnesses.

Suddenly, Lei finds herself fighting for her life, and this time it's not just one enemy, it's a syndicate. How high of a blood price must be paid in order to tell the truth? Can Lei protect the other witness or will she die trying?
