IN THE SHADOW OF MOUNTAINS is a new collection of sublime portraits, landscapes, and street photography taken by Steve McCurry over the last 27 years. Children and shepherds, warriors and laborers are presented alongside striking views of sandstone cities, mountainous landscapes, and ancient temples. Evocative and timeless, these lyrical images capture the enduring spirit, grandeur, and beauty of the land that lies at the foot of the Hindu Kush. McCurry's photographs capture human experience and transcend boundaries of language and culture.
