Excerpt from The Works of the Most Reverend Father in God, John Bramhall D.D, Vol. 5: Sometime Lord Archbishop of Armagh, Primate and Metropolitan of All Ireland, With a Life of the Author, and a Collection of His Letters

The present volume contains Part the Fourth (and last) of Archbishop Bramhall's Works, which with the Index completes the publication. The volume consists, partly, of several tracts upon various theological subjects, written at different periods, but published for the first time, after Bramhall's death, in the folio edition of his Works, and reprinted here from that edition; and partly also, of three sermons, being the whole of those published by Bramhall himself during his lifetime, reprinted also from the folio edition, as the original sermons in their separate form have not been met with. A considerable number of sermons, in addition to these three, were it appears prepared by Bramhall for publication, but were accidentally destroyed. And some funeral sermons of his are also mentioned.
