*Candid and truthful stories about women, young and old, grappling with generational wariness, creative recklessness, and illusive purpose celebrate all that is beautiful, wild and distinctive in contemporary women.*

All In Together Girls, whose title is inspired by a jump rope rhyme, is a meeting place for girls as surely as the chant would have been on the playground. These stories relate the relentless search for identity, and the late night drive-through culture of bored teens whose "sleepover" alibis have left them with no place else to go. Hallmarked by entrances into, and thought-provoking points of exit from, moments of addiction, betrayal, misjudgement, and first kisses, they are defining portraits of girls and women during the storm and stress of self-discovery.
