As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
