The Fine Art of Loving

Suave graphic designer Rashad Brown has always held out for what he wants. He likes his women polished and accommodating because he values his freedom above all else. Then he meets a woman far from his idea of perfect—she has an ex, she has a kid, she defies his expectations. And he can't get enough of her.

From the moment she meets Rashad in art class, advertising student Michelle Johns knows she is in trouble. She came to Washington only seeking peace for herself and her young son, Andre. Oh-so-sexy Rashad threatens her newfound serenity. His skillful hands ignite dormant passions; his discerning eyes see her as her ex never did. And his kind attention dares her to do the most dangerous thing of all: hope. But there's a fine line between optimism and regret. Will her amorous artist truly be able to accept her past so that they can build a dazzling tomorrow...together?
