Jazz Improvisation For Guitar - A Harmonic Approach (Berklee Press Book/Cd) Garrison Fewell (Berklee Guide). The purpose of this book is to explore the relationship between jazz harmony and improvisation by studying the vertical structures of chords and their function in a progression, and the horizontal or linear application of harmony to melodic improvisation. Each topic is accompanied by musical examples that are designed to help you hear the connection between harmony and melody and to develop a more melodic and creative way of thinking about improvising over chord progressions.
