Etape: 20 Great Stages from the Modern Tour de France Moore Richard

What if all the best Tour stages happened in one race? In *Etape*, critically acclaimed author Richard Moore weaves first-person interviews with cycling's great riders to assemble a "dream team" of the best Tour de France stages in modern history.

Featuring exclusive interviews with the Tour's legends and scoundrels about their best-ever day on the bike (and their most heartbreaking defeats), Moore unravels lingering mysteries and recounts strange tales from 20 great stages of the Tour: LeMond's impossible return from near-death, Schleck's primal scream atop the Galibier, Merckx's self-described toughest Tour, Cav's mind-bending victory in Aubenas, Hinault's hellish battle with Fignon.

Etape assembles the greatest days of modern Tour history into a Tour de France of incredible victory, glorious failure, shocking revelation, and beautiful memories. In the words of those who were there, *Etape* recreates each day vividly and reveals the beauty and the madness of cycling's greatest race.
