Historia Critica de La Literatura Argentina (Spanish Edition)

Julio Schwartzman, Noe Jitrik

Historia Critica de La Literatura Argentina (Spanish Edition) Julio Schwartzman, Noe Jitrik

El período tratado por los trabajos reunidos en este libro es el que va desde el auge del rosismo hasta los albores de los años ochenta, con el surgimiento de obras que se hicieron célebres, como "Facundo", "El Matadero", "Amalia", durante el rosismo, y hacia el final del período tratado "Martín Fierro", "Una excursión a los indios ranqueles", entre otras. Se ha tratado aquí tanto la poesía y la novela como la poesía gauchesca; además se estudian otros discursos culturales, como el periodístico, el histórico (que, por su carácter polémico fue vivido como esencial para reconocer las marcas de la dificultad de poseer una identidad), e incluso, el jurídico. Todos ellos constituyen la materia de este volumen, mostrando la lucha de lenguajes que se dio en el período de formación, indeciso culturalmente, pero tan decidido en lo político que las formas que produjo todavía persisten en el imaginario de la cultura y literatura argentinas.
