Listen carefully and you will hear the wild, untamed music of Gray Wolf as he races along icy ridges, howls at the moon, fiercely defends his territory against an unknown pack, and, finally, settles with a new mate.

The simple, poetic text follows the restless Gray Wolf as he wanders through the northern winter night and the spectacular illustrations present a dramatic look at a beautiful, endangered animal. A list of organizations is provided at the back of the book for readers moved to learn more and for those who would like to help the endangered wolf. An afterword that adults will want to share with children is also included and offers detailed information on wolves and their range throughout the world.
