The Gospel and Mental Illness Dr. Heath Lambert

We live in a broken world, beset with overwhelming problems: disease, pain, death, sorrow, sin and mental illness--clinical depression, bipolar disorder, borderline personality disorder, schizophrenia, and panic attacks. Our culture assumes people diagnosed with mental illness are stuck, doomed to struggle for the rest of their lives against a problem without ever experiencing real and lasting change. As Christians we know better. The world is broken, but God has invaded that world with the power, light, and hope of his Son Jesus Christ. Whether you're tormented with panic attacks or thinking of committing suicide, Jesus can help.
