A Child's Heart Speaks is a heart breaking and compelling true story of two children who survived severe sexual abuse from a juvenile perpetrator-their older half brother. The reader gains a true glimpse into the personality, and tactics used by juveniles and adults to manipulate children into silence. The story serves as a call to action for all adults who care about children. The author, Claire Silva also incorporates national interviews with adult survivors of childhood sexual abuse. Through their stories, the reader is able to understand some of the mental, physical, emotional and spiritual struggles survivors go through, and what helps survivors heal.
