Be Afraid (Morgans of Nashville) Mary Burton

The Fear Is Terrifying

When police rescue five-year-old Jenna Thompson from the dark closet where she's been held captive for days, they tell her she's a lucky girl. Compared to the rest of her family, it's true. But even with their killer dead of an overdose, Jenna is still trying to find peace twenty-five years later.

But The Truth

On leave from her forensic artist job, Jenna returns to Nashville, the city where she lost so much. Instead of closure, she finds a new horror. Detective Rick Morgan needs Jenna's expertise in identifying the skeletal remains of a young child. The case jogs hazy half-buried memories--and a nagging dread that Jenna's ordeal hasn't ended.

Is Even Worse

Now other women are dying. And as the links between these brutal killings and Jenna's past becomes clear, she knows this time, a madman will leave no survivors. . .
