Graves Pact (Landon Graves Book 1) Matthew Stinson

FBI agent Landon Graves sold his soul to a devil, becoming a warlock in the process. Though he keeps the supernatural aspects of his life secret, a murder case threatens to bring him out into the open. But that's a minor concern compared to what will happen if he doesn't catch the killer before the completion of a powerful ritual that will bring about the apocalypse. Landon must exploit the dark side of his nature and delve into the hidden world of the supernatural in order to stop it. Graves Pact is an action-packed urban fantasy with a wry sense of humor.
