Melting Down: A Comic for Kids with Asperger's Disorder and Challenging Behavior (The ORP Library Book 2) Katie Gutierrez, James G. Balestrieri, Jeff Krukar PhD

Based on dozens of intensive interviews with parents, clinical psychologists, teachers, and more, *Melting Down* is the fictional story of Benjamin, a boy diagnosed with Asperger's disorder and additional challenging behavior. From the time Benjamin is a toddler, he knows he is different: he doesn't understand social and emotional cues, does not know how to play with his sister or other children, and dislikes making eye contact. And his tantrums are not like normal tantrums; they're meltdowns that will eventually make regular schooling—and day-to-day life—impossible. Told from Benjamin's perspective, *Melting Down* gives a unique glimpse into the journey taken by children with Asperger's disorder and additional challenging behavior, demonstrating that the path toward hope isn't simple—but with the right tools and teammates, it's possible.
