Rapture When? shows that the Pre-Tribulation Rapture is not an imminent event. It cannot take place at any moment. Specific Bible prophecies must be fulfilled before the Rapture. Seven major prophecies have been fulfilled, five are being fulfilled and sixteen have yet to be fulfilled. This book also shows from the Bible that there is no gap between the Rapture and the start of the Tribulation. In fact those two events take place on the same day according to Luke 17.26-30. It includes the teachings of the early Church fathers about the timing of the Rapture and none of them believed in a Pre-Tribulation Rapture. The beliefs of the Reformers are also included along with those of the modern prophecy teachers. The foundation for a world government and economic system is being laid and this book documents it. Some of the technologies that the Antichrist will use to control the peoples of the world are also described.
