Leslie H. Farber

The Ways Of The Will: Selected Essays, Expanded Edition Leslie H. Farber

The psychologist Leslie Farber, who died in 1981, has been revered as one of the most astute observers of the human condition and a writer of penetrating wisdom. His essays, on topics as diverse as the pornographic anguish of jealousy and the despair of psychotherapy, were collected in 1966 (*The Ways of the Will*) and 1976 (*Lying, Despair, Jealousy, Envy, Sex, Suicide, Drugs, and the Good Life*) and have been out of print for nearly twenty years. Based partly on his experiences as a therapist, but more importantly on his special insight, Dr. Farber's observations provide us with a unique glimpse into ourselves that is frequently startling, but in the end always consoling.
