Because I Love You So Much Guido Van Genechten

Snowy is a very smart polar bear. He knows how to catch the biggest snowflakes, how to climb an iceberg and where to catch the best fish. But there are some things Snowy doesn't know, such as where snow comes from, why the sky is so blue and exactly how much his Mommy loves him. In her answers, Snowy's Mom reassures her young polar bear of her unconditional love for him: "Because I Love You So Much."

Young readers can touch Snowy's soft fur on every page! Special flocking gives Snowy a velvety feel in this charming story about unconditional love in a snow-covered world. The illustrations are gorgeous, the flocking is unique and the story is timeless.
