Snowed in with the Doctor (Harlequin Kimani Romance/Kimani Hotties) Dara Girard

'Tis the season...for love?

Dr. Lora Rice is done flying through life solo. *30 Days to Romance* guarantees the Maryland researcher will finally snag the man of her dreams. He's *not* Dr. Justin Silver, who is brilliant, full-of-himself and totally wrong for her. So why is her hunky fellow scientist awakening feelings that make Lora long to come in from the cold?

Justin is a man of science. When he finally notices Lora, he no longer sees her as his work-obsessed colleague and competitor for a coveted fellowship, but as an incredibly desirable woman. And when a business trip strands them in a snowbound Minnesota cabin, he's suddenly a man ruled by desire.

As passion heats up the long winter nights, Justin has to find a way to convince Lora that rivals in business can become the best partners in love....
