The 1689: The Second London Baptist Confession Rev. William Kiffin

"This little volume is not issued as an authoritative rule, or code of faith, whereby you are to be fettered, but as an assistance to you in controversy, a confirmation in faith, and a means of edification in righteousness. Here the younger members of our church will have a body of divinity in small compass, and by means of the Scriptural proofs, will be ready to give a reason for the hope that is in them. Be not ashamed of your faith; remember it is the ancient gospel of martyrs, confessors, Reformers, and saints. Above all, it is the truth of God against which the gates of hell cannot prevail." - C.H. Spurgeon
