**The Secret Of Happiness & Joy - What Makes A Person Happy?** Gilbert Kerr And Teresa Hopkins

Here you are at the bridge of happiness. Don't let any scenario take the control.

You are the second master of the game, beneath the universe master law, what you think is what you get. Could that be possible?

Yes it could be, you got to be in a manifesting state, your brain, your body is one, not two.

The flow of energy that is rotating in the universe could break you if you aren't going in the right direction. You must follow the law of the universe, and be joyful. Don't worry about what's happening, but accept it and act toward a positive trend if it could be done, but never stay without acting when the bad scenario, the non lucky time frame is falling on you, this is definitively a law of the universe, and it's going to happen again and again, you got to do something, the thing that will put you on the right track...

This is what we will talk about in this book:

Table Of Contents:

The Power Of Positive Thinking

The Quest For A Happy Life

The Secret Of Happiness

The Ride Of Your Life - Who's Driving?

The Work-Life Balance
