**U.S. Army Airborne Special Forces Operations Field Manual 90-26: 1990** U.S. Department of Defense  
This manual discusses the employment of airborne brigades, battalions, and regiments in airborne operations within the context of the Air-land Battle. It sets forth tactical and administrative support doctrine for the employment of Army forces in joint airborne operations. It discusses command and staff procedures, tactics, and techniques used in the planning and execution of parachute operations at brigade and lower echelons.

Great book for military strategists and militia members.
