## **Dreaming of Jupiter: In Search of the World--Thirty Years On** Ted Simon

Back in the seventies, Ted Simon drove a Triumph motorcycle around the world. His book, *Jupiter's Travels*, became the acknowledged classic of motorcycle adventure. It inspired thousands, Ewan McGregor included, to roam the globe. Now in his own seventies, thirty years after his epic journey began, Ted has retraced that epic journey, still on a bike, to rediscover himself, his world and the memorable characters he met. A remarkable perspective on the world today.
