## **Large Art in Small Places: Discovering the California Mural Towns** Kevin Bruce **A Colorful Journey through Small Towns with Epic Art**

In the 1930s, film star (and part Cherokee) Will Rogers would come to Bishop, California, and buy the Native American children ice cream at the local pharmacy soda fountain, at a time when they weren't allowed inside. Today, a mural on the town's modern-day pharmacy commemorates that moment--huge pink ice cream cones and all. The small towns of California are filled with such murals, capturing moments of local color, cultural significance, natural beauty, and imaginative whimsy. This book is your key to going off the beaten path and discovering these hidden gems of public art for yourself.

LARGE ART IN SMALL PLACES features more than 250 contemporary murals by noted muralists and local artistic collectives alike, including the trompe l'oeil narrative illusions of John Pugh, the larger-than-life epic masterpieces of Wei Luan, the expressive portraits of Don Gray, and the dramatic historic tableaux of Art Mortimer. Part art book and part travel guide, LARGE ART IN SMALL PLACES takes mural aficionados, local history lovers, armchair travel-ers, and weekend roadtrippers on an unforgettable tour of quaint, quirky, and colorful small-town California.
